委員会紹介

A simple line drawing of a glass of milk, a carton of milk, and three cookies. The glass is filled with milk. The carton is a standard milk carton with a handle. The cookies are round with different shapes (triangles, squares) on them.

活動内容

A collection of various pharmaceutical products including bottles, capsules, and pills. The items are arranged in a row, featuring a large white bottle, a smaller white bottle, a box of capsules, a box of tablets, and a pile of loose capsules and tablets. The background is a solid light blue.
